

Caramel Apple Cream Cheese Spread by Lynn's Recipes

Lynn demonstrates how to make a super easy sweet appetizer or dessert that would be perfect to take to a party or take to a tailgate. This recipe requires no cooking, but uses ingredients that can be found easily at the grocery store. Great for when you need something in a hurry. Adapted from shewearsmanyhats.

Ingredients:

- 8 ounces cream cheese
- Caramel sauce, I used salted caramel sauce
- Toffee bits
- Sliced apples, pears, pretzels for serving

Place cream cheese on a serving dish. Pour as much caramel sauce as you would like evenly over the cream cheese. Sprinkle generously with toffee bits.

Serve with sliced apples, pears or with pretzels.
