

Sausage Dip by Lynn's Recipes

A simple hot appetizer that is great for snacking during a football game or to take to a party. This recipe uses only three simple ingredients and goes together quickly. Serve with Tostito Chips or Frito Scoops.

Ingredients:

- 1 package of sausage, I used hot, but use whatever you prefer
- 2-8 ounce packages of cream cheese, I used low fat, but again whatever you prefer
- 1 can Rotel, I used the hot, but you can use the original or the lime juice with cilantro

Brown sausage, drain and place back in skillet. Add the Rotel and cream cheese. Heat all together until the cheese melts and it is well blended. Place in a crock pot to stay warm and serve with whatever chips you desire.
