

Peach Smoothie by Lynn's Recipes

A great smoothie recipe that can be turned into a cocktail smoothie by adding Peach Schnapps and vodka if you choose. I made mine without the alcohol.

Ingredients:

- 2 cups orange juice
- 1 cup peach Greek yogurt
- 2 cups frozen sliced peaches
- 2 Tablespoons honey
- 1 teaspoon nutmeg
- 6 ounces Peach Schnapps (optional)
- 2 ounces vodka (optional)

Blend all the ingredients until smooth. Serve in tall glasses and garnish with a slice of fresh peach, if desired.
