

## White Chocolate Mocha by Lynn's Recipes

---

A delicious drink. Great for the upcoming fall and winter weather. Very easy to make.

### Ingredients:

- 1-1/4 cup milk
- 3/4 cup white chocolate chips
- Freshly brewed espresso or strongly brewed coffee

### Garnishes:

- Whipped cream
- White chocolate shavings
- Cinnamon

Make espresso or coffee and keep hot. Add milk and chocolate chips to saucepan or double boiler and heat until chips are melted and milk is hot.

Fill a mug half way full with the milk and chocolate mixture and then fill the rest of the way, almost up to the top -- leaving room for garnishes -- with the espresso or coffee. Dollop with whipped cream, chocolate shavings and cinnamon, if desired.
