In the baking dish, layer half of the bread, half of the bacon mixture, and half of the cheese. Top with the remaining bread and bacon mixture. Pour the egg mixture over the top and sprinkle with the remaining cheese. Cover and refrigerate overnight.

Remove from the refrigerator 30 minutes before baking.

Preheat oven to 350°. Cover the casserole with aluminum foil and place in the oven and bake for 40 minutes. Uncover and continue to bake for 5-10 minutes longer or until a knife inserted near the center comes out clean. Let stand for 5 minutes before cutting and serving.

Yield: 10 servings.
