In a large saucepan, heat oil and add the finely chopped onion. Saute until the onion is soft and translucent. Add the ground beef, breaking up and sauté until the beef has lost all of its color. Gradually stir in the flour, thyme, 2 cups water, Kitchen bouquet, beef bouillon cubes and Worcestershire sauce.

Reduce the heat to low and simmer for 30-45 minutes until the sauce has thickened. Remove the meat from the pan with a slotted spoon and put in a casserole dish, that has been sprayed with cooking spray.

Potato Topping:

Place the potatoes in a large pot and add cold water to 1 inch above the potatoes. Cover the pot and bring to a boil over high heat. Lower the heat to a simmer and cook until the potatoes are tender when pricked with a fork (about 20 minutes). Drain off the water. Mash the potatoes with a potato masher. Stir in the nutmeg, cream, egg yolk, butter, salt, and pepper.

Cover the entire meat mixture with the mashed potatoes. Sprinkle the top of the potatoes with the grated Cheddar cheese.

Bake in a preheated 350° oven for 20-30 minutes.
