This is a great homemade taco seasoning mix that you can double to have on hand whenever you want to make taco, burritos, etc. You can adjust this to suit your own taste by adding another seasoning or deleting one that you may not like. Use about 2-3 Tablespoons per 1 pound of ground meat.

Homemade Taco Seasoning Mix

Ingredients:

- 2 Tablespoons chili powder
- ½ teaspoon garlic powder
- ½ teaspoon onion powder
- ½ teaspoon crushed red pepper flakes
- ½ teaspoon dried oregano
- 1 teaspoon paprika
- 1 Tablespoon ground cumin
- 2-1/2 teaspoons sea salt
- 1 teaspoon ground black pepper
- 1 teaspoon cane sugar or granulated sugar

Mix all of the above together and store in an airtight container.
