A super quick and easy, cheesy appetizer that is super delicious. Only requires 2 ingredients. Great if you need something at the last minute and don't have a lot of time. Adapted from Pinterest.

#### **Ingredients:**

- 1 Tube of Crescent Rolls
- 8 ounces Pimento Cheese Spread

Roll out the crescent rolls into one big sheet on parchment paper or a silicone type mat. Press the perforated lines together, or if needed use a rolling pin to seal them.

Spread the Pimento Cheese Spread over the top. Starting with the long side, tightly roll the dough into a tube. Slice the tube into 16 rounds. Bake at 375° for 10 minutes until golden brown.
