

Monday Favorite Gadget - Pyrex Bowl Set With Locking Lids

by Lynn's Recipes

Today, I am sharing some bowls and lids that I use almost daily. These are the Pyrex 8 Piece Ribbed Bowls (4) Including Lock Lids. Some of the great things about this set of bowls is that they can be used to prep food, store food or leftovers, they are oven, freezer and microwave safe, the tops are dishwasher safe on the top rack and the bowls are dishwasher safe. The set includes 3 cup, 6 cup, 10 cup and 4.5 quart bowls.

These bowls are perfect to take to functions, such as barbeques, pot lucks or other places that you need to take a dish to share. The ribs make them pretty enough to feel good about setting them on a buffet to serve.

I found these at Costco. On Amazon Prime they sell for \$28.59, but you can google them and probably find them in different price ranges.

I purchased these bowls with my own money. I have not been paid for this review and all opinions are my own.
